Overview of Title II Reporting
Sections 205 through 208 of Title II of the Higher Education Act, as amended in 2008 (PL 110-315) call for accountability for programs that prepare teachers.

59 states and jurisdictions and their institutions of higher education (IHEs) participate in Title II reporting.

Westat provides technical assistance to states through the Title II Support Center and works with the Office of Postsecondary Education to implement the reporting requirements.

The U.S. Department of Education may impose a fine not to exceed $27,500 on an IHE for failure to provide the data in a timely or accurate manner.
Who submits an IPRC?

- Traditional teacher preparation programs
- Alternative route teacher preparation programs based within an IHE
- Alternative route teacher preparation programs that are not based within an IHE (such as district based programs)

*Note: alternative routes are defined by the state*
The IPRC reporting system opened in early February; IHEs were sent usernames and passwords via email.

You can complete the report at your own pace.

Westat works with testing companies and states to collect pass rate data; pass rates are expected to be uploaded into your IPRC reports by mid-April.

The certification and submission window is April 15 through April 30, 2018.

Reports are due by 11:59pm local time on April 30, 2018.
